

# Town of Montague Municipal Airport Commission

## ***Meeting Minutes***

September 13, 2010

The meeting was called to order at 7:07 PM in the Airport Admin Bldg.

Commissioners present: David Brule, Gary Collins, Peter Golrick, Mike Sokolosky, Brian Carroll, Rod Herzig, Keith LaRiviere

Others present: Mickey Longo (Manager), Brian Smith (Gale)

### **MANAGERS REPORT**

Mickey updated us on a variety of accomplishments this month, see attached Managers Report. MOU update – the substance will not change, although FAA and the Tribes are interested in changing some of the language. The Access document must remain a “request”, as we cannot “grant” anything in perpetuity without Town Meeting approval. The reworked document is due from Town Counsel in a couple of days with only the changes to soften the language anticipated.

### **GALE REPORT**

AIP-11 – Nothing new. AIP-12 – Nothing new. AIP-14 – Bryon Raykoff (FAA) is working with MassDOT to continue getting matching amounts to complete the project, with MassDOT to continue to fully fund the local share until the identified items (not just this project) are complete. Methods for tree clearing are being investigated. Due to the ongoing nature of the MOU, and discussions with FAA and Town Counsel, we should set a meeting (*we set it for Thursday at 6:00PM*) to finalize the documents.

### **PILOT, USERS, PUBLIC**

None tonight.

### **SUB-COMMITTEE UPDATES**

Buildings and Grounds reports that the zero-turn mower was started, and the grass was mowed. Saturday the 25<sup>th</sup> at 10:00 was set for beginning the construction of the new shed.

### **NEW – OLD – OTHER**

Discussion of comp time and the 75 hour cap placed by the Town.

### **COMMISSIONER UPDATES**

None tonight.

**10:12 Motion** by Mike to adjourn, second by Keith, passed unanimously.

Respectfully submitted: Peter Golrick
